

WHAT IS 105?

- 105 is a new three-digit number that people can call to report or get information about power cuts.
- You can also call 105 with any welfare concerns related to a power cut, or if you are worried about the safety of over or underground electricity cables or substations.
- 105 is free of charge and will put you through to your electricity network operator. You can call 105 from most landlines and mobile phones.
